

OnCall Tutorial

How to Find Your Parking Spot Number

Step 1: Log into your account. Click on “My Account/Vehicles” located on the left-hand side task bar:

Step 2: Scroll down to “Vehicle Info”. You will see your Parking Spot number on the far left side.

The screenshot displays a table titled 'VEHICLE INFO (YOU CAN ADD A MAXIMUM OF 2 VEHICLES)'. The table has six columns: Vehicle Info, Identification, Parking Zone, Vehicle Status, Parking e-Permit Expiration, and Action. A single row of data is shown for a 2016 Toyota Corolla Silver. The 'Parking Spot' field in the 'Vehicle Info' column is circled in yellow, and a red arrow points to it from below. The 'Action' column contains a red button labeled 'Update Vehicle/Pap'.

Vehicle Info	Identification	Parking Zone	Vehicle Status	Parking e-Permit Expiration	Action
2016 Toyota Corolla Silver Parking Spot: 000	Plate : VIN :	Primary Parking Spot: Primary	Active - Permit Purchased	11-07-2022	Update Vehicle/Pap

You may begin using your assigned numbered spot immediately. If someone is parked in your spot, please let OnCall know so they can notify the resident to please move their vehicle. Only Primary vehicles can park in their assigned numbered spot until further notice.
